

ASSOCIATE VETERINARIAN

Practice, live and play where others can only escape on vacations. The beauty of the La Crosse, WI area awaits you at Van Loon Animal Hospital. Dr. Mark Hein, Charter class UW-Madison-87 founded this clinic in 1996; since then the practice has seen dramatic growth. Our association with our satellite clinic in nearby Onalaska, WI continues to drive new referrals to the practice weekly. Position open is 100% Small animal.

About Our Practice

Van Loon Animal Hospital /Wisconsin Veterinary Orthopedics is a 22 acre ranch. Our exam rooms are **300 square feet equipped with DBL hydraulic tables.** After hour and weekend emergencies are rare! Toys include CO2 Laser, Pulse Therapy Laser, New Idexx Laboratory with new Idexx cornerstone software, 2 hydraulic lifts, Surgivet Vital Monitor with end Tidal CO2/Pulse ox/EKG, blood press, digital Vet-Ray x-ray, Digital Dental X rays, dental base with root canal equipment, as well as ultrasound with telemedicine capability in association with Oncura Partners.com.

1 Year experience preferred but will consider new graduates. Outgoing personality with a sense of humor will help.

Salary/Compensation package with 20% pro-sal production incentive, previous employees have earned an equivalency of \$125,000.00/Year. The employee compensation package would be negotiated based on candidate's desires and capability; 20% pro-sal formula applies to all production.

Full or part time position with flexible schedule and/or shared positions available. Benefits package negotiable, Health insurance, CE, vacation inclusive in employment package at employee request.

Enjoy your days off on the nearby Mississippi river or canoe the creeks in the adjacent wildlife refuge which the clinic was named after.

Mentorship is gladly provided until candidate feels comfortable with all aspects of the practice.
